**DETAILED ACTION**

In response to Amendment filed January 19, 2005

***Reasons for Allowance***

1. The following is an examiner's statement of reasons for allowance:
  - a. Claims 1 - 15 are allowable over the Prior Art of Record because it fails to teach or suggest a marking tape measure comprising a measuring tape extendible in a first direction out of the housing with the remainder of the tape being coiled in said housing, wherein said wheel is disposed generally perpendicular to said first direction and wherein said mark is generally perpendicular to said first direction in combination with the remaining limitations of the claims.
  - b. Claim 16 is allowable over the Prior Art of Record because it fails to teach or suggest a marking tape measure comprising a measuring tape extendable through said tape blade aperture in a first direction out of the housing with the remainder of the tape being coiled in said housing, wherein said wheel is disposed generally perpendicular to said first direction in combination with the remaining limitations of the claims.

c. Claim 17 is allowable over the Prior Art of Record because it fails to teach or suggest a marking tape measure comprising a measuring tape extendable through said tape blade aperture in a first direction out of the housing with the remainder of the tape being coiled in said housing, wherein said wheel is disposed generally perpendicular to said first direction in combination with the remaining limitations of the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
